

The Inglewood Station has number of extra places at our Beaufort St centre which are available for Primary and Kindy students in 2020. We have limited places at the Sussex St centre.

At Beaufort St, we offer Before and After School Care and Vacation Care as well as care on Pupil Free days. We are open every day of the school holidays except Public Holidays.

Beaufort St is a particularly homely environment which fits in very well with what we believe kids need after school. Both centres are run by staff with, or working towards, higher level qualifications in Early Childhood Education, Primary Education and Psychology.

Sussex St offers the same OSHC but also has a wonderful Kindy Care program. This is for children who are currently attending Kindy as an alternative to Day Care. At the moment we have between 3 and 6 children, with a maximum of ten, which gives us the option to take the children to places in the local community such as parks, the hardware store, the pet shop, the library and the occasional play centre. Smaller groups have even helped with the shopping!

We also offer an early pick up option for Kindy Care, at a reduced rate, for any parent who is able to pick up by 3.00pm. This has worked very well for those parents who work from home or have flexible hours with primary children to collect.
