## Dates for the diary

7 December	Semester 2 Reports Available on Connect	13 December	Last Day of Term 4 for Students
7 December	Year 6 Dinner Dance	31 January	Class Lists Published
10 December	Presentation Night Concert	1 February	Uniform Shop Open
12 December	Graduation: Whole School Assembly	4 February	First Day Term 1 2019 for Students

## Focus for 2017 – 2019

*Our focus over the next 3 years is to develop a whole school approach to learning, with academic rigour through rich and engaging learning experiences, in conjunction with developing the whole child (with parents as partners), to make our school a school of choice within the community and for every child to be empowered and reach their full potential.*

Dear Parents, Staff, Students and Community Members,

Thank you to everyone who took the time to fill out the annual parent survey. We had 144 responses from families and we will now take time to analyse the data and build an action plan around the feedback. There were some points of interest however, that I would like to share with you in this newsletter so that, moving forward into 2019, you can see some of the planning that has already been happening that coincides with comments from parents. Please note, this is not all the results from the survey, which will be presented firstly to our School Board and then to the community early next year.

First and foremost, the survey was positive with parents 'agreeing' and 'strongly agreeing' that their child feels safe at school and that the teachers have high expectations of students. Families agree that their child likes being at school and the school looks for ways to improve. Parents understand the role of the Board and P&C and the school's vision and future focus. All of these are very good starting points.

Where parents have the opportunity to share their thoughts, ideas and observations in the comments sections, the responses were diverse and ranged from for example, "can we have more sport?" to "can we have *less* sport?"; which is the nature of surveys when everyone is expressing their own points of view. Our role is to take all of the comments and 'group them' to see what lines of inquiry we really need to explore. It was made clear in the survey that Italian and before school supervision have been highlighted by parents as positive aspects of the school and we will continue with this in 2019, with the Year 6s coming on board for Italian as well. Communication also received a positive response, but parents also found we had almost gone the other way with too much communication. With the introduction of **Connect** next year for all communication which can be specifically targeted to individual classes as well as the whole school and with the removal of other modes of communication such as Dojo and Seesaw, we should finally see our 'one-stop-shop' for parents. The website will become our marketing tool and we will update it with photos and celebratory aspects of the school.

One of the key points that emerged is Dance. I know some parents were disappointed that Dance with Debbie-Anne has ceased for P-4 students next year and have asked me in the playground why parents weren't consulted. The issue of Dance has been an ongoing one in past surveys, which is where all parents have the opportunity to have their say. Last year in particular, Dance was raised in the survey a number of times, parents had been to see me personally regarding some of the challenges their child was facing around dance, but even more powerful was when I spoke with many of the students themselves one-on-one regarding Dance last year. For many, Dance is more than challenging, it affects them in physical ways including feeling sick, feeling hot and sweaty with an overall sense of sheer panic. Some students last year wrote powerful persuasive pieces to me, asking that I consider not having Dance. This has culminated in discussions with staff and the leadership team as to how best we move forward. The decision was made to cease Dance with Debbie-Anne for PP-4, with the aim to keep

Please download the Mt Lawley Primary School app and stay up to date!

Please join the Mount Lawley P&C Facebook page to stay abreast of all P&C information.

movement activities in Term 4 so that all children have the opportunity to experience movement but in a different way. We will share with you what that will look like in the new year. I also respect that many students absolutely love dance and find it is their one time of the year to really shine. I believe Performing Arts, dance with Miss Baros and new opportunities next year will also cater equally for these students.

As always, please come and speak with me and stay engaged with the school, as my door is always open and I am happy to listen to any and all feedback – not just the positive but the constructive critical feedback that often leads to continued improvement. The parent survey is a wonderful reminder that we have an incredibly diverse community with wide-ranging thoughts and opinions. If you would like to explore what you have expressed in the survey in more detail, I welcome you to visit with me.

I continue to be grateful for the community input and look forward to sharing a more detailed analysis of the school survey with you in 2019. With a week to go of school, may I take this opportunity to say thank you for a year that has been rewarding and challenging, in the best kind of way. The students continue to inspire me every single day with their personalities and our staff here are dedicated beyond measure. Thank you to the parents and the community who continue to support our school environment. I wish you the happiest and safest of holidays and look forward to seeing you all again next year.

See you in the playground!

~Ms Cavelle Monck, Principal

## Honour Board Week 6

### Honour Board

The following students were awarded Honour Certificates at the Friday 30 November assembly. Congratulations to all recipients and a special acknowledgment to all of Pre-Primary students for their class item.

PP	Declan Thorpe – Edwards	Year 3	Maria Naomis
Year 1	Charlie Bruce	Year 3	Jakub Jakupovic
Year 1	Zack Sioneloto	Year 4	Duncan Bosman
Year 1	James Stachowski	Year 4	Angus Hale
Year 2	Benjamin Sanchez	Year 4	Nicole Zheng
Year 2	Jay Park	Year 4	Isla Atkinson
Year 2	Milla Hambleton	Year 5	Felicity Pryor
Year 2	Thomas Willing	Year 5	Aran Arivuchchelvan
Year 2	Archie Hambleton	Year 5	Nikki Bisnath
Year 2	Lucas Church	Year 5	Callum McLean
Year 2	Tadhg Kennedy	Year 6	Fraser Wintle
Year 3	Sacchi Ti'en	Year 6	Freddie Welch
Year 3	Yijin Yang	Year 6	Hock Teh
Year 3	Teah Parry	Year 6	Cameron Topping
Year 3	Christian Sukuroski	Year 6	William Singleton
Year 3	Martin Saragih	Year 6	Sam Walsh

## Semester 2 Student Reports

By now you've read the information about the implementation of the Connect platform and received individual login details for parents via email. On Friday 7 December we will be publishing student reports to the Connect platform where you will be able to view and download your child's report. Please make sure you are able to login to Connect before Friday. For more information please see our Connect Parent flyer [here](#) or our Step by Step Guide for Parents [here](#). If you are having trouble accessing Connect after following the Step by Step Guide, please contact us and we will be able to assist you.

## Parent Representative Nominations For the School Board

As a result of a parent representative vacancy, in February the school will seek nominations from parents interested in becoming a member of the Mount Lawley Primary School Board.

Nominations will be sought to fill one vacant position on the School Board and an election will be held to fill this vacancy if more than one nomination is received.

The Board has an important influence on the direction of the school, with members bringing ideas and lending their expertise to strategic planning and community partnerships. Professional skills in areas such as management, finance, education,

procurement, marketing and cultural knowledge support the principal and strengthen the school's capacity to meet the needs of its students.

If you believe you have the requisite skills to contribute to the development of the school, I would encourage you to give some thought to nominating for this position in the New Year.

~ Ms Cavelle Monck, Principal

## School Board News

The final Board Meeting for 2018 was opened at 5.30pm by Albert, the Board Chair, on Thursday the 29<sup>th</sup> of November. Only one member was absent and it was fabulous to welcome a parent observer, our first for the year. The Chair welcomed our newest Board Member, Lisa Freegard (Manager of Corporate Services) who nominated as a staff representative and was successful.

The Principal, Ms Monck, informed the Board that the Administration were very busy at the moment with reports, staffing and classes for 2019. The Kindy information night occurred on the 28<sup>th</sup> of November and was a success, with a high number of parents in attendance. At the other end of the school, the Year 6's are currently attending transition sessions at the various high schools as well as preparing for Graduation.

Lisa Freegard presented the Finance Report to the Board and asked for the 2019 Voluntary Contributions and Charges to be approved. All members had reviewed the schedule of charges and after some questions, they were approved. You are now able to view these on the School Website under the "Parent Information" tab or by clicking on the following link: <https://mountlawleyps.wa.edu.au/sites/default/files/inline-files/2019%20Charges%20and%20Voluntary%20Contributions%20Schedule%20-%20Final.pdf>

The member's terms of appointment were discussed as a number of members terms will be ending at the end of the year. Some positions are staff representative positions and some are parent representatives. It was agreed that elections for these positions will be held in Term 1 of 2019 with nominations being called for in the first few weeks of school returning. Information regarding nominations will be on the School Website under the Board section as well as in a newsletter next year.

The Board would like to thank the community for their support this year. We are always happy to answer any questions you have or guide you to the best place for the answers if we can't. If you would like a question tabled at a Board meeting please email [MLPSBoard@outlook.com](mailto:MLPSBoard@outlook.com) and the Board as a whole can discuss it and get the best possible answer for you. Our first meeting for next year is on the 28<sup>th</sup> of February at 5.30pm in the staffroom. Observers are welcome at meetings and we would love to have more at our 2019 meetings.

We wish you a happy and safe holiday and look forward to seeing you in the New Year.

Cara Davis, Board Secretary

## School Development Days 2019

Please note our School Development Days for next year.

### TERM 1

Thursday 31 January 2019 (Mandatory)  
Friday 1 February 2019 (Mandatory)  
Students start of Monday 4 February 2019

### TERM 3

Monday 22 July 2019  
Students return on Tuesday 23 July

### TERM 2

Monday 29 April 2019  
Students return on Tuesday 30 April 2019

### TERM 4

Monday 14 October 2019  
Students return on Tuesday 15 October 2019  
Students finish on Thursday 19 December 2019  
Staff finish Friday 20 December 2019

## Presentation Night Concert

This Year's Presentation Night is on Monday 12 December at 6:00pm, the theme is Sustainability and about being kind to our planet. Every student from Year 1 to Year 6 will perform in their year groups after the presentation of class awards. It is not necessary for anyone to dress as a character, but we would like the students to wear a single colour top, choosing from any of the following colours – red, orange, yellow, green, blue, indigo, violet, pink or white. The bottom part of the outfit can be any colour, but weather appropriate – jeans or leggings if the evening is cool, shorts if it's hot. School appropriate footwear should be worn. (NO THONGS).

## Traffic and the P&C Traffic Survey

Once again, a child and her grandmother were nearly hit by a car reversing out onto the road and back up on to the other side verge, at speed, on Third Avenue during school pick up this week. I can't begin to tell you how much these continued incidents make me feel as both a Principal and a mother. We all know the challenges parking and picking up children before and after school cause for everyone however, some of our community still seem to put other people's lives in danger. I have tried every way I can think of to appeal to everyone's conscience to be alert to the **whole** school and not just ourselves during these busy times and I am increasingly waiting for the call to tell me someone has been seriously injured, as I'm sure it's now only a matter of time. I am frustrated that the clear messages we have been sending all year appear not to have been taken on board by everyone.

Thank you to the new Traffic Management Committee, who have formed in order to see if they can find some possible solutions to this and a number of other ongoing problems regarding traffic. Led by parent and P&C treasurer Neil Brodie, with Sharnie Stuart and John Caporn, the committee has already begun an excellent process to work proactively in this space. To that end, there is a [traffic survey](#) that they created which went live on the P&C page on our website yesterday. Please take some time to answer the questions in this survey so the committee can have some starting points when they meet again.

The survey closes on the last day of school, Thursday 13 December.

In the meantime, I implore everyone to please stay safe and be always on alert during pick up and drop off times.

## NATA You Scientist Of The Year Award

Earlier this Semester, several of our MLPS scientists entered the Australia-wide NATA Young Scientist of the Year competition. I am honoured to announce that the following students achieved great outcomes from their entries.

### Third Prize

Emilia Tassone & Anna Kokkinaki (Year 5)

### Finalists

Rosa Dickie & Emily Nguyen (Year 6)

Lucia Everitt & Keiana Blackbee (Year 3)

Sofia Tassone (Year 6)

### Honourable Mention

Ashley Farrell (Year 5)

These students worked hard during lunchtimes, as well as outside of school, putting together their ideas and inventions to address the 'Medical Science - towards 2050' theme.

## Kindy Department of Fire & Emergency Services Visit

On Wednesday the 28 November, Kindy's were thrilled when the Department of Fire & Emergency Services came along with a fire engine for us to explore. The children were able to get up close and sit inside the firetruck as well learn all about fire safety. Thank you to Cleo's dad, Jeremy and his fellow fire fighters for taking the time out of their busy day to visit our Kindy. We appreciate their commitment to keeping our community safe!

## Mount Lawley's Got Talent

On the 23 November Mt Lawley Primary hosted a talent show. We selected 11 performers to perform their acts and show their talents in front of the school.

In the 4 weeks before the show we auditioned over 60 students on a Thursday lunch time. We thank all of the students who auditioned and took the time to practice and show us their hidden talents. Who knew Mt Lawley had so many talented students. The show was a great success and everyone enjoyed it.

What a great way to finish the year and celebrate Mt Lawley's talent!

-Charlotte Cherry and Will Singleton

This year we have had Walker Learning running in the Pre-Primary. Walker Learning is a play-based pedagogy where early childhood is encouraged to explore their environment through Investigations, building strong oral language skills, critical and creative problem solving skills and conflict resolution. With the success of Walker in the Pre-Primary we will extend it into Kindy and Year 1 next year. The staff are excited about planning engaging learning environments that will benefit all children in their class. To that end, we are looking to the community for donations of the items listed below to add to our resources. Walker relies on 'real' objects as opposed to plastic toys and we would specifically love to have old china, fabric, off cuts of wood, nuts, shells, screws, nuts and bolts etc. Please feel free to have a clean out at home if you would like to pass on some of your household items (but no plastic please). Please feel free to pop your head in down at Pre-Primary if you wish to see how the classroom is set up or perhaps talk to the Pre-Primary parents if you wish to learn more. We will be sharing Walker Learning workshops in the New Year for interested parents. Please drop all donations to the front office. We appreciate your support!

### Dramatic Play

Tea cups and saucers ❖ china tea sets ❖ fabric tablecloths / table runners ❖ vases ❖ old fashioned cash register ❖ old fashioned typewriter ❖ telephones (old fashioned and modern) ❖ silk flowers ❖ menus ❖ travel magazines ❖ clothes from various eras incl ties (not commercial costumes ie Batman etc)

### Art / Collage

Boxes (all sizes) ❖ egg cartons ❖ art / drawing books ("How to") ❖ pop sticks ❖ pipe cleaners ❖ small blackboards ❖ Wool ❖ sewing needles ❖ cane baskets ❖ picture frames ❖ table-top easels ❖ clay

### Construction

Alfoil ❖ safety glasses ❖ milk bottle tops (metal and plastic) ❖ sand tray ❖ fake grass ❖ cardboard boxes ❖ string ❖ hard hats ❖ small orange construction cones ❖ gum nuts & leaves ❖ fathers

### Reading Corner

Knitted "granny" blankets ❖ doilies ❖ cushions ❖ comic books ❖ chairs ❖ bean bags ❖ old furniture (small coffee tables, 2 seater couches) ❖ hard cover picture books ❖ mosquito nets

### Writer's Workshop

Paper ❖ cards ❖ clipboards ❖ stencils (lettering and pictures) ❖ envelopes ❖ old fashioned writing paper ❖ postcards ❖ old fashioned mail box ❖ interesting photos / black and white photos

### Interests

Garden tools ❖ pots / soil / seeds ❖ shells ❖ beads / glass beads ❖ magnifying glasses / tweezers ❖ records & record player ❖ camping items (small camp chairs, small dome tents) ❖ medical supplies: bandages, slings, x-rays, stethoscope, thermometers, eye charts, reflex hammers ❖ cooking utensils: rolling pins, glass bowls, cutlery, pot mitts, wooden chopping boards etc

### Tinkering

Nuts and bolts (all shapes and sizes) ❖ padlocks and keys ❖ old electrical goods (that can be taken apart) ❖ old tools ❖ wood (all sizes) ❖ nails ❖ poly pipe & joiners ❖ zips ❖ hammers ❖ old fashioned hand drills

### Numeracy Area

Old fashioned scales ❖ weights ❖ marbles ❖ pebbles – big and small ❖ buttons (all sizes and shapes) ❖ rice ❖ old fashioned clocks ❖ tongs ❖ money ❖ corn kernels ❖ pine cones

### Other

Indoor plants (real NOT fake) ❖ long pieces of fabric / beautiful fabric ❖ curtains ❖ lamps (that still work; used for mood lighting) ❖ small wooden stools ❖ cushions ❖ wooden bowls ❖ pots (to hold paint brushes / pencils) ❖ wooden pegs ❖ electrical cable drums ❖ mirrors ❖ picket fencing (small)

## Library News

### Holiday borrowing

We are in the final weeks of school and all library and reading books need to be returned to the library this week. There are still ALOT of books out on loan, please check with your child and return anything outstanding.

As there is no holiday borrowing over the Christmas break I strongly encourage all students to become a member of the local library. City of Stirling has six libraries which as a member you have entitlement to borrow from all. Membership is free and each member can borrow up to 20 books. Further details can be found at the following link.

<https://www.stirling.wa.gov.au/leisure-and-culture/libraries-and-hubs/library-membership-and-services>.

Each library also has a variety of events throughout the holidays such as Summer Reading Club and Santa Story time. Select children's activities under the above link for more details.

## Thank you

I would like to extend a big thank you to all the parents that have come and helped throughout the year, shelving books, covering books, bookfair and during student's library times. Every little thing helps and this has been greatly appreciated.

### I opened a Book by Julia Donaldson

I opened a book and in I strode  
Now nobody can find me.  
I've left my chair, my house, my road,  
My town and my world behind me.

I'm wearing the cloak, I've slipped on the ring,  
I've swallowed the magic potion.  
I've fought with a dragon, dined with a king  
And dived in a bottomless ocean.

I opened a book and made some friends.  
I shared their tears and laughter  
And followed their road with its bumps and bends

To the happily ever after.

I finished my book and out I came.  
The cloak can no longer hide me.  
My chair and my house are just the same,  
But I have a book inside me.

I wish everyone a happy holiday and I hope you find a good book to take you away.

Nicola Brodie

### Snugglepot and Cuddlepie exhibition

A fabulous free exhibition is currently running in South Perth celebrating 100 years in print of May Gibbs Snugglepot and Cuddlepie - running until 24 February.

## Summer Reading Challenge

Over the summer children often 'regress' slightly in their reading skills, as they engage in the beauty of the school holidays. We would like to encourage students to keep reading even though they are relaxing – and so we would like to introduce the Summer Reading Challenge!

Students can record not only the books they read over the summer but also, the ones that they loved the most. Mrs Brodie is currently making up reading list "trees" to display in the library with book recommendations for each year level. We would love to be able to add leaves to the tree next year with the books that have really inspired your child. Each class will be given a Summer Reading Challenge Log to fill in by the end of the week. Please note there are no prizes attached or extrinsic rewards – this challenge is a personal one for each child and is an option for them to do on the holidays.

Research tells us that by children reading twenty minutes a day they can increase their word exposure to 1,800,000+ in one year (Cunningham and Stanovich, 1998). Research also shows that we need to validate what our child reads – so if your child only wants to read non-fiction, then celebrate with him/her. You can always read fiction to them before they go to bed at night or think of other ways to broaden their horizons. Most importantly, we want children to love to read for *pleasure*; to let them curl up with a good book and escape for a time. Parents, please feel free to take the challenge as well! As a community it's lovely to share great book recommendations.

## 2018 Athletics State Relay Championship

Mount Lawley students Georgie Connolly, Tom Radford, Euan Barker and Zoe Lazarou represented Inglewood Little Athletics Centre over the weekend in the State Relay Championships. The competition involves different athletic clubs from across Perth competing for the title of State Champions. Events include 4x100m, 4x200m and 4x400m relay distances.

Competition was fierce, our students were up against the best runners in the state, and they performed really well. Euan's Under 11 Boys Team finished first in the 4x100m and the 4x400m, BEST TEAM IN THE STATE!! Georgie's Under 12 Girls 4x100m Team finished third, a great effort.

## National Primary School Chess Championships

Our MLPS Chess team, (Ethan Richards Yr5, Minh Nguyen Yr6, Iker Hernandez-Mendez Yr4 and Jamie Richards Yr3), have just returned from representing WA in the National Championships held in Adelaide over the weekend of 1/2 December. The competition, held at Prince Albert College, was intense with the boys playing 10 hours of solid chess over the 2 days of competition. This is a prestigious tournament with significant resourcing going into the various teams particularly from the elite private schools on the east coast.

Our results improved from last year with the team doubling the number of games won (total 4.5/20). Of note, was a team draw against Queensland (who were the overall tournament runners-up) and the performance of Minh Nguyen, who lost only 1 game for the whole tournament. Our team was highly competitive against the top placed Victorian team, with Ethan holding his own for 50 moves against one of the top junior players in Australia. , Jamie on Board 4 correctly played his well-prepared Reverse Leningrad Dutch to thirteen moves, but could not convert a good opening. Iker scored a well-deserved win against Queensland. Detailed results can be seen at <http://sajuniorchess.org/2018-australian-schools-teams-championships/>

Mount Lawley Representatives L-R: Jamie Richards, Iker Hernandez-Mendez, Minh Nguyen, Ethan Richards

Congratulations to the children who represented their school and their State in such an exemplary manner. Thanks to Evan Yeung and CAWA for organising the inter-school tournament here in WA.

Acknowledgements for the financial contributions towards the trip go to Mount Lawley Primary School, the community, parents and the Chess Association of Western Australia.

Special thanks to the Richards, Nugyen and Hernandez Mendez families and to our coach Jay Lakner, for their great support of the team over the weekend. Tournament photos are available [here](#)

Michael Richards

Chess Coordinator

## A Message from the Dental Therapy Centre

Mount Lawley Dental Therapy will close on Tuesday 18 December for the holidays. Emergency dental treatment only is available between hours 8.15 am -4pm when the clinic is closed, dates and locations as follows:

**Wednesday 19 December - Friday 21 December**

Tuart Hill Dental Therapy Centre  
Ph 9344 1585

**Thursday 27 December – Friday 25 January**

Mt. Henry Dental Clinic  
Ph 9313 0555

**Tuesday 29 January - Friday 1 February**

Hillcrest Dental Therapy Centre  
Ph 9271 7184

Should a dental emergency occur after hours, or on a public holiday, phone 1800 098 818 for assistance.

Mount Lawley Dental Therapy Centre will re-open on Monday 4 February.

## P&C School Traffic Survey – Have You Say!

The P&C Association is looking for your views on school traffic. What works well that we should keep doing? What could be improved?

Can we please ask you to complete a short survey which can be found on the P&C page on the school website, or by using [this link](#). The survey will close at 4.00pm on Thursday 13 December.

Thank you for taking the time to provide your valuable feedback and helping us improve our school community.

## Uniform Shop News

### Email orders

The Uniform Shop accepts orders sent via email to [mlpsuniformshop@gmail.com](mailto:mlpsuniformshop@gmail.com) Orders are generally filled on a Monday and delivered to your child's classroom. Please ensure all payment information and a contact phone number are present with your order. Order forms are available on the school website.

### Leavers' Shirts 2019

Leavers' shirts are now in stock!

Parents of children in Year 6 in 2019 can now purchase leavers shirts from the Uniform Shop. These shirts do not have names on the back and cannot be worn until next year. A limit of one per person will apply until the end of November to ensure all 2019 leavers have an opportunity to snag one. Please be aware that these have run out in past years. After this time, parents will be able to purchase additional shirts if they wish.

### 2019 Uniform Shop dates

The Uniform Shop will be open on Friday 1 February 9am-1pm for all your back to school uniform needs. Please be patient on this day as it is usually very busy and we are all volunteers.

The uniform shop will *NOT* be open until 10am on the first day of school, Monday 4 February. The uniform shop is staffed by parent volunteers and we will all be busy getting our own children to class for their first day of the year. We will open from about 10-11am on this day.

Besides the above mentioned changes, the uniform shop will be open on Mondays 8.30-9.30am during Term 1.

### Uniform shop volunteers needed

Volunteering at the Uniform Shop is a great way to help out at the school and meet lots of different families. It involves staffing the shop on a Monday morning a couple of times a term with another parent volunteer. All training is provided and it's pretty easy! Contact Katie on 0423763180 or email [mlpsuniformshop@gmail.com](mailto:mlpsuniformshop@gmail.com)

### Uniform Shop prices

The prices of most Uniform Shop items will increase as of 1 Jan 2019. The price increases are minimal (generally \$1-\$2) and reflect increases in the cost price of uniform items from suppliers. Stock up now to take advantage of the current prices!

## P&C Social and Fundraising News

### Social & Fundraising 2018

It has been a great year for our P&C Social & Fundraising events, having raised over \$35,000 for our school. A special thank-you to each of our committee members for their work this year – Brooke Marshall, Tiffany Elt, Kimberley Farrell, Hina Bisnath, Bria Ryder, Jane Williams, Neera Hart, Becky Conway, Angela Nichols, Sunny Rovasanin, Billie Sukuroski & Terri-Ann Hatelie.

### New Members

If you are keen to be part of a fun team that helps to run events to raise money for our school in 2019, please contact Georgina Hurst on 0423 665 176. We'd love to welcome some new members!

### Icy poles - Every Friday

Icy poles are available from the canteen at lunchtime, every Friday during Term 4.

### Fruit Sticks - 50c

### Lemonade Icy poles - \$1

If you are able to help serve icy poles please sign up using the link below. It's only 1 hour. 12-1pm.

<https://m.signupgenius.com/#!/showSignUp/60B0E48A4A72DA2F49-term>
