Dear Robyn

I am pleased to advise that the Public School Review of Mount Lawley Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review of your school has been determined through your self-assessment submission and validated by the review team as 3 years. You will receive formal notification in the 2 terms leading up to your school's scheduled review. This notification will be provided in 2027.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

I am informed that your relational approach and focus on consultation, collaboration and empowering staff through shared decision making has contributed to a smooth leadership transition and a unified understanding of the school's vision and directions. I also understand that underpinned by the belief that children are at the centre of all decisions, staff work collaboratively to understand students' needs and optimise their educational outcomes.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
