Dear Parents and Carers,

Mount Lawley Primary School has not become less busy since my retirement. It has been a hectic 10 days so far! With the hail this morning adding an extra element of excitement. I have loved reconnecting with the students, staff and families while relieving for Mrs Crump in her absence. I am tripping off to Europe next week and Ms Ali Roberts will be in the principal position for Week 8 until Mrs Crump returns for the beginning of Week 9.

Another cause for excitement last week was the engagement announcement of Mr Kyle Cameron and Miss Jasmine Praizelin, I am sure you will join me in wishing them a lifetime of love and happiness. Congratulations Kyle and Jasmine.

The classes are busy completing assessments and teachers are grading and writing comments in preparation for the Semester 1 reports. As a part of the reporting cycle there are teacher parent meetings scheduled in Week 9 and 10. These will be booked through an online booking system. Please keep an eye out on Connect to book your meeting time.

Last Friday was P&C Day. I am sure you will join me in saying an enormous thank you to the many parents and carers who volunteer their time to make our school so social and well resourced. The canteen, uniform shop, class liaison parents, traffic management group and the social and fundraising committee, all contribute in a major way. I'd especially like to acknowledge Breanna, in her role as President, for her drive and enthusiasm in leading our P&C.

Over the next two weeks there are significant nation and state-wide events that we recognise as a school. This week is National Reconciliation Week. National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can participate to achieving reconciliation in Australia. It is a timely reminder on why we should contribute to reconciliation, to make a difference to the lives of others.

Next Week is WA Day. WA Day takes place next Monday and is a public holiday. It's a day to celebrate all Western Australians, recognising our Aboriginal history, early European settlers and the many from all over the world who have made, and continue to make, Western Australia their home. I hope you all enjoy the extended weekend and take the time to reflect and celebrate all the great things about who we are, our lifestyle, our culture and our potential.

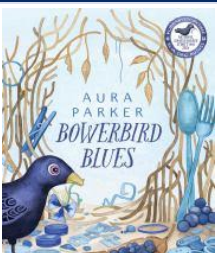

I am grateful for the time I have been back at MLPS and wish you all a fabulous rest of the year.

Until next time, Sandra Martin.

National Simultaneous Storytime

On Wednesday last week many of our classes participated in National Simultaneous Storytime (NSS). This is when at the same time the same book is read around Australia. Mount Lawley Primary was one of 21 969 locations around Australia that took part, and the students were part of 2,359 147 participants. What a fabulous gathering to celebrate reading. The story read was Bowerbird Blues by Aura Parker.

Book Fair

Thank you to everyone who purchased from book fair. It was a great success and so wonderful seeing the students excited about the book fair. A record number of books were sold this year with the highest number of re-orders ever made. All sales earned the school approx. \$2400 in rewards from Scholastic. These rewards will be redeemed throughout the year for library resources that all students will enjoy.

Thank you also to the families that donated books to the library from the fair. We had an amazing 29 books donated totalling \$470. All these books will go into the library with a sticker inside thanking you for your donation.

Last but not least, I would like to thank all the amazing volunteers that gave up their time to assist with selling at the fair. Without your assistance it would not be as successful as it is, which benefits the whole school. Thank you for your time.
